

Carry You Home

Alex Warren

Tonalità originale: G-

E- G C G
Oh, I hope you know, I will carry you home
C G D
Whether it's tonight or fifty-five years down the road
Oh, I know there's so many ways that this could go
Don't want you to wonder, darling, I need you to know

E- C
We were talking to the sunset
G D
Throwing dreams against the wall
E- C
I know none of them are stuck yet
G
But I bet it on you, honey
D
Oh, I would risk it all

E- C
These days, these nights been changing
G D
My love, my mind is set on you
I'm not afraid to say it
To say it's true

Oh, I hope you know, I will carry you home
Whether it's tonight or fifty-five years down the road
Oh, I know there's so many ways that this could go
Don't want you to wonder, darling, I need you to know

E- D C D C
In this and every life
E- G D E-
I choose us every time

CORO RIT

We were California dreaming
Our whole life fit in that car
Didn't have a bed to sleep in
We kept each other warm under a ceiling full of stars

These days, these nights been changing
My love, my mind is set on you
I'm not afraid to say it
To say I do

Oh, I hope you know, I will carry you home
Whether it's tonight or fifty-five years down the road
Oh, I know there's so many ways that this could go
Don't want you to wonder, darling, I need you to know
In this and every life
I choose us every time

Oh, I hope you know, I will carry you home
Whether it's tonight or fifty-five years down the road

The musical notation is presented in three systems. The first system, labeled 'RIT', contains two staves of music in G major (one sharp) and 4/4 time. The second system, labeled '7', continues the melody. The third system, labeled 'CORO', starts at measure 14 and features a double bar line with repeat dots at the end. The notation includes various note values, rests, and dynamic markings.
